
COVID-19 SAFETY CHARTER

We are asking library users to please adhere to and follow the protective measures below to reduce transmission:

- Please carry a mask with you.
- If people are moving around near you, then you will need to wear a mask.
- If you need to speak to someone, put your mask on until you are confident that the 2m distance can be maintained.
- If someone wants to talk to you in close proximity, either move to an area where you can maintain 2m distance or put your mask on.
- We do wipe the computers/desks/printer beginning of the day. Ask for the clinical wipes to wipe down the computer, mouse and keyboard when you have finished using it.
- Use the hand sanitiser provided at the education centre entrance
- Be mindful of the demand for PCs and limit your use during busy periods.
- Do not move the chairs
- Do not leave belongings lying around the library
- Do not eat food/lunch in the library
- Please leave books which you have touched on the study desks or put them in a Quarantine box at the library counter.
- Put all waste in the bins provided - including wipes and masks

Please help us to help you keep safe.
