7. C. L. Shovlin, **M. P. Vizcaychipi**, COVID-19 genomic susceptibility: Definition of ACE2 variants relevant to human infection with SARS-COV-2 in the context of acmg/amp guidance. V1.0 uploaded on 12.05.20. MEDRXIV/2020/098160V2 (2020).

Have you submitted/presented a poster at a conference and want to share good practice/innovation with all the Trust staff?

please send your poster (pdf) to us or submit online, we will upload it on to the repository

We have also produced an institutional research [repository of Staff publications](#) to showcase Trust research. You can browse/search the repository by author's name, keyword, journal title etc. If you want more information about the repository please contact uma.devalapalli@nhs.net
