HEALTH MANAGEMENT BULLETIN
15th October 2020

Quality and Safety

- **Cancer in the UK 2020: socio-economic deprivation** Cancer Research UK
  This report focuses on the impact of socio-economic deprivation on cancer in the UK.

- **Clinical Validation of Surgical Waiting Lists: framework and support tools** NHS England
  Support tools for the clinical validation of surgical waiting lists project.

- **Diagnostics: Recovery and Renewal** NHS England
  This report recommends makes recommendations as to the future of diagnostic services in the NHS.

- **National Prostate Cancer Audit: Short Report 2020** HQIP
  This short report examines geographical variation in the management of high-risk or locally advanced prostate cancer in England, explores determinants for receipt of treatment, establishes between-hospital variation and investigates possible reasons for this variation.

- **Health, care and cash: improving the lives of older people in 'red wall' England** Age UK
  The purpose of this paper is to discuss the social policies that we think are likely to be most beneficial to older people living in the Red Wall.

- **Early detection and diagnosis of cancer: a roadmap to the future** Cancer Research UK
  Derived from extensive consultation across the early detection and diagnosis ecosystem, the Early Detection and Diagnosis of Cancer Roadmap aims to unite fragmented efforts across the UK to drive progress in early detection and diagnosis.

- **CQC outlines plans to monitor infection prevention control (IPC) over winter** CQC
  Details on how the CQC plans to continue to regulate care and hospital locations over winter to support organisations as they prepare for the coming month and how they will provide assurances to the public that locations are safe and well prepared.

- **[Rapid literature review on effective regulation: Implications for the Care Quality Commission](#)** CQC
  This report presents the findings of a rapid literature review on what constitutes effective regulation.

- **[Services for autistic people and people with a learning disability](#)** CQC
  How CQC regulates providers supporting autistic people and people with a learning disability.

- **[New report highlights missed opportunities in stroke aftercare](#)** HSIB
  A new report has highlighted how crucial treatments missed in stroke aftercare could lead to fatal blood clots.

Public Health

- **[Sugar reduction: report on progress between 2015 and 2019](#)** PHE
  This latest report presents a detailed assessment of progress made by industry, over the first 3 years of the sugar reduction programme, towards the 20% reduction ambition.

- **[An intergenerational audit for the UK 2020](#)** Resolution Foundation
  This audit provides the first comprehensive assessment of the initial phase of the coronavirus crisis for different generations in Britain.

Service Improvement/Redesign

- **[Delivering core NHS and care services during the pandemic and beyond](#)** Health & Social Care Select Committee
  A House of Commons Health and Social Care Select Committee inquiry which aims to better understand the impact the crisis has had on core NHS and care services during the pandemic and beyond.

- **[Achieving hospital-wide patient flow 2nd ed](#)** IHI
  This second edition of the white paper, updated in 2020, builds on IHI's hospital-wide patient flow framework and includes ongoing learning about improving flow.

- **[Delivering a 'Net Zero' National Health Service](#)** NHS England
  This report provides a detailed account of the NHS' modelling and analytics underpinning the latest NHS carbon footprint, trajectories to net zero and the interventions required to achieve that ambition.

- **Skills for collaborative change: a map and user guide** Q Health
  This guide sets out the skills and attitudes needed for collaborative and creative problem-solving.

- **Project reset in emergency medicine: patient FIRST toolkit** CQC
  Patient FIRST is a support tool designed by clinicians, for clinicians. It includes practical solutions that all emergency departments could consider. Implementing these solutions supports good, efficient and safe patient care - for both adult and paediatric care.

- **Implementing a just and learning culture (case study)** NHS Employers
  This case study details how Mersey Care NHS Foundation Trust has adopted and embedded its just and learning culture and its training package.

- **Providers deliver: resilient and resourceful through Covid-19** NHS Providers
  This series of case studies shows the innovative works that Trust have done to meet the challenges of COVID-19.

- **Power down to level up: resilient place-shaping for a post-Covid age** LGIU
  This paper draws on case studies and analysis to argue that an effective case for refocusing UK governance on place must overcome entrenched orthodoxies about where local capacity lies, the nature of power in the modern state, and how we best measure policy success.

Communication

- **Shared decision making is key to good patient care - GMC guidance** GMC
  Effective decision making based on conversations between doctors and patients is fundamental to good care, according to guidance published today (Wednesday) by the General Medical Council (GMC).

Training and Development

- **Creating the workforce of the future: a new collaborative approach for the NHS and colleges in England** NHS Employers
  This report makes recommendations as how to create a health workforce of the future by better making the case for colleges.

- **So what now? Supporting students through a global pandemic and beyond** RCM
  This report finds that many student midwives are struggling under the weight of financial concerns, poor mental health and an unpredictable job market.

Finance

- **The Chancellor's post-pandemic choices** IEA
  This report seeks to identify the differences between current government policies in terms of tax, expenditure and regulation to identify the policies most likely to have a stimulating effect on tax revenues, economic activity and growth.

- **Results of Department of Health and Social Care's review of NHS Property Services** DHSC
  This document gives the results of the Department of Health and Social Care's review of NHS Property Services.

- **Fragmented funding: the complex local authority funding landscape** LGA
  This report looks at how the local government funding landscape has developed in recent years, with a focus on the characteristics of grants coming from central government.

People Management

- **Research on understanding LGBT employee networks published** NHS Employers
  The University of York has published a new report looking at how LGBT+ employee networks operate within the NHS.

- **Race equality infographic published** NHS Employers
  This infographic illustrates the key findings from the Workforce Race Equality Standard (WRES) 2019 report.

- **Workforce Race Equality Standard 2020** CQC
  This report details the experiences of BME staff to ensure equal access to career opportunities and fair treatment in the workplace.

- **The NHS workforce in a nutshell (infographic)** King's Fund
  The NHS is facing a workforce crisis, but how many people work in the NHS in England, and what do they do?

Annual Reports & Statistics

● **NHS Providers: state of the provider sector 2020, survey findings**
